RE: Notice of Workshop to Review and Improve the PSC Website.
Docket No. 2005-83-A

Dear Ms. Boyd:

Dominion Energy South Carolina, Inc. ("DESC" or "Company") appreciates the opportunity to provide Commission Staff with the Company's comments regarding the website of the Public Service Commission of South Carolina ("Commission"). DESC does not intend to participate in the workshop scheduled for March 30, 2022, but the Company would like Commission Staff to know that the Commission's website is excellent. DESC makes numerous filings a year using the Commission's Docket Management System website (dms.psc.sc.gov), and the Company finds the website to be user-friendly, easy to navigate and well organized. Similarly, DESC finds the Commission's main website (www.psc.sc.gov) to be user-friendly, easy to navigate and well organized. Moreover, each website's search function produces fast and accurate results. In short, DESC is very pleased with the functionality of the Commission's websites and commends Commission Staff for producing and maintaining an exemplary product.

Thank you for the opportunity to provide you with the Company's written comments.

If you have any questions or concerns, please do not hesitate to contact us.

Very truly yours,
